BENTLEY FUEL INJECTION MANUAL

This Robert Bentley manual covers Bosch Fuel Injection and Engine Management. Complete theory, troubleshooting, service, and high performance tuning of Bosch fuel injection systems, including Motronic, L-Jetronic, KE-Jetronic, K-Jetronics, and D-Jetronic systems. This is the only book that fully explains how Bosch systems work and how to get the most out of racing and high performance tuning modifications.

707099 Bentley Manual, Bosch Fuel Injection

"COMPLEAT IDIOT" BOOK

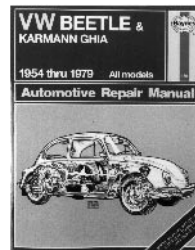

This book by John Muir Publications is as basic as you can get! Highly entertaining, the book covers everything in the simplest way possible-hence the name "For The Compleat Idiot".

7040 John Muir's "For The Compleat Idiot" Book
